REPAYMENT PLANS

A repayment plan is a way to pay back the processing expenses that has been spent on each client's visa application over an extended period of time, generally by making fixed monthly payments abroad.

Our repayment plans operate differently depending on the country you choose. Canada visa program for instance, comes with multiple repayment plans to choose from, some of which are tied to your monthly income from the job we provide for you.

Assuming you get a job in Canada that pays you \$2000 monthly for an instance, we have repayment a plan that will suit and manage the amount you earn in order to make sure nothing affects your bills payment, lifestyle, and budgets every months i.e we charge back \$600 dollars from the \$2000 you earn monthly. The charge back may last till the agreed time of repayment.

FREQUENTLY ASKED QUESTIONS

HOW MANY MONTH WILL I USE TO REPAY?

Our repayment plan starts from 30 to 50 percentages. We set each client on the best repayment plan that may last for only 12, 18, and 24months depending on how much a client chooses to repay per month.

HOW WILL MY REPAYMENT BE CHARGED

Briceol Travel, Tour and Allied Services has made all charge back easier, we send requests for payment or invoices directly to a client to repay a certain amount of money monthly, clients can pay via a bank account or online transfer method.

DOES MY REPAYMENT COVER MY ACCOMMODATION FEES TOO?

Briceol Travel, Tour and Allied Services may only have the capacity to provide an accommodation that will last for only 1 month duration. All client are expected to pay for their accommodation in their chosen country as soon as they start working.
